

Alexis the Virgin

Ethan
Don't do it.

Alexis
Do what?

Ethan
We're not supposed to keep secrets from each other.

Alexis
Ok...

Ethan
Is there something you want to tell me?

Alexis
Not really.

Ethan
Alexis!

Alexis
Fine. I guess you heard the "rumor."

Ethan
How could I not? Why didn't you just tweet it out to the whole school?

Alexis
Give me some credit.

Ethan
You're not really going to do this, are you?

Alexis
Yes, I am.

Ethan
With him?

Alexis
Yes.

Ethan
The captain of the football team? Tyler?

Alexis

Yeah.

Ethan

That's just so...

Alexis

Cliche?

Ethan

Kind of?

Alexis

Look, he's the one who started it.

Ethan

By saying if he was going to take someone's virginity...

Alexis

It would be me!!!

Ethan

How did you even find out?

Alexis

He said it after practice. Anthony told Sophia.

Alexis

Sophia told Ashley and Ashley told me after choir.

Ethan

So your just going to have sex with him?

Alexis

Yes. I'm ready. And who better than the captain of the football team?

Alexis

It's soooo right!!!

Ethan

You don't even know him!

Alexis

I know him.

Alexis

We pass each other in the halls.

Alexis

One time he smiled at me. At least I think it was me. I was in a group.

Ethan

Thus you should have sex?

Alexis

I don't want this anymore!

Ethan

This?

Alexis

You know, my innocence.

Alexis

I just want to get it over with.

Ethan

But shouldn't you choose someone you know? Someone you trust?

Alexis

That's sweet, but I'd rather choose someone... Popular :)

Ethan

That's disgusting.

Alexis

Whatever.

Ethan

So you're really going to go through with it tonight at the party?

Alexis

Yep.

Alexis

And Ethan, I know you want to do what's right for me. But don't get in my way.

Ethan

Whatever you say, Alexis...

later

Alexis

You here?

Alexis

I don't see him anywhere.

Ethan

Maybe he's late.

Alexis

Where are you?

Alexis

Come hang out with me. I look like a loser.

Ethan

Where are your choir friends?

Alexis

I don't know. They don't come to these parties.

Alexis

Do you think he bailed on me?

Ethan

Did you text him about this!?!?

Alexis

No! But he knows. I purposely told Ashley how I was going to seduce him.

Alexis

It should've gotten back to him.

Alexis

I'm going to grab a drink.

Alexis

WAIT. There's a note on the fridge.

Alexis

It's addressed to me!!!

Ethan

What does it say?

Alexis

It's from Tyler. It says to meet him on the porch swing.

Alexis

SEE. I told you he got the message :)

Ethan

Did you find him?

Alexis

No. But there's another note.

Alexis

It says to check my car.

Alexis

Is this like a game?

Ethan

Maybe he's trying to be romantic.

Ethan

You don't have to do this.

Alexis

Yes, I DO! Everyone knows now. I have to.

Alexis

Ok. I'm at the car.

Alexis

And there's another note. Cute.

Alexis

This one wants me to drive somewhere!

Ethan

Perfect time to back out...

Alexis

No!

Alexis

I'm going.

Ethan

Where?

Alexis

It says to meet him at the pier.

Alexis

I wasn't picturing it like this. In a car.

Alexis

What if I kick it into neutral and we roll in the water?

Alexis

This is it.

Alexis

It's really happening.

Alexis

I think so.

Alexis

I don't know.

Alexis

I do!

Alexis

OMG. I forgot the condom.

Ethan

There's only one reason people go there.

Ethan

Think that's probably the least of your worries.

Ethan

Are you ready?

Ethan

Alexis, that sounds like doubt.

Ethan

You don't have to do this.

Ethan

Alexis...

Ethan

There's something I need to tell you.

Ethan

Maybe this is a sign.

Alexis

I'll just stop somewhere on the way.

Ethan

It's eleven o'clock.

Alexis

Crap!

Alexis

Well, it'll probably be all right, right?

Ethan

ALEXIS!

Alexis

You're right, you're right.

Alexis

Wait. I see Ashley. Hold on.

Alexis

Ok. I'm back.

Ethan

How's Ashley?

Alexis

Oh, fine. And she had plenty of supplies ;)

Ethan

Condoms?

Alexis

Cherry flavored, tuxedo, ribbed.

Ethan

Gross.

Alexis

Ok. Time to go.

Ethan

Alexis. Wait.

Ethan

What if for your first time

Ethan

You could be with someone who loved you? Who cared about you?

Alexis

Ethan...

Alexis

I know how you feel, ok?

Ethan

No, you don't.

Alexis

I do.

Alexis

You're my best friend.

Alexis

I care about you too.

Alexis

But this is something else.

Alexis

I would never risk our friendship.

Alexis

Ok. I'm off.

Alexis

Wish me luck!

later

Ethan

Are you there?

Alexis

Yeah.

Alexis

I recognize his car.

Alexis
Wait.

Alexis
I think there's someone else inside!!!

Alexis
There is.

Alexis
They're making out!

Alexis
I can't believe this!

Ethan
Alexis, wait!

Ethan
Where are you?

Alexis
I'm leaving.

Ethan
Look, there's something I have to tell you.

Alexis
I know, you love me.

Ethan
Yes. I love you. As a friend.

Alexis
??

Ethan
The person you saw making out with Tyler was me.

Alexis
WHAT???

Ethan
We've been together for almost six months.

Ethan
In secret.

Alexis

OMG!! I had no idea.

Ethan

Neither one of us is ready to, you know, make it public.

Ethan

He said if he was going to take any girl's virginity it would be you...

Ethan

because the other guys put him on the spot and he knows we're BFFs.

Alexis

So he doesn't want to have sex with me...

Ethan

Obviously.

Ethan

We're trusting with you with this secret.

Alexis

I won't tell anyone.

Ethan

And you have to tell everyone you had sex.

Alexis

WHAT???

Ethan

Otherwise, there might be questions.

Alexis

SO I'M GOING TO FAKE LOSE MY VIRGINITY???

Ethan

How does it feel?

Alexis

A little disappointing.

Ethan

That's how I hear it usually is.

Alexis

Aw, Ethan. I love you.

Ethan

I love you too. :)
